

I've been back to Camb rather too

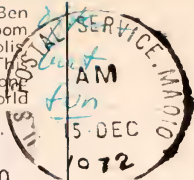

MYCENAE-AXE-BLUE, 1961 creation of Ben Nicholson, hangs in the Major Conference Room of Christian Theological Seminary, Indianapolis as a gift from friends of the Seminary. This largest relief painting Nicholson has ever done shows the influence of the Mediterranean world upon his life.

*Hope all's
well with*

*you this year. We like it up
here. I've been volunteering
at U. Fund. Had a wonderful
week in Bermuda in Sept.
